

Craig Hane, Ph.D.,(Math, Indiana University 1967) aka Dr. Del, Math Bio

1955 Greencastle High School Tutored Capt of Football Team in Geometry
(Top Geometry student my sophomore year before)

1956 Greencastle High School, Trig Identites to High School Class
(I was a senior learning Algebra and Trigonometry at DePauw.)

1957 Oberlin College Math Tutor SPIKE Pedagogy

1958-60 Oberlin College Math Problem Session Instructor

1960-61 Western Reserve High School, Wakeman, Ohio All 4 Years of Math

1961-62 DePauw University, Second Semester, Dr. Gass on sabbatical.

1962-66 Indiana University, Taught Undergraduate Math while a Grad Student

Earned Ph.D in Algebraic Number Theory from I.U. September 17, 1966

1966-69 Indiana State University, Associate Professor of Theoretical Math

1969-73 Rose Hulman Institute, Associate Professor of Theoretical Math

1969-80 Applied math to create several businesses:

Auto Parts stores, Action Dragway, H & H Racing Gasoline, Hane Dynabrane, and
Hane Training (Later named Learn Maintenance)

1980 - 2005 Hane Training created practical math training for many technical
subjects. The genesis of Tiers 1 and 2. Visit <https://www.hanetraining.com/>

2006 - 2010 Long Sabbatical

2011 - Present: Triad Math, Inc. Online Six Tier Math Program

Math from learning to use a Scientific Calculator to Practical Algebra,
Geometry, and Trigonometry, SAT Math Prep, to STEM PreCalculus, Calculus, and
Differential Equations using and mastering Wolfram Alpha the 21st Century Math
Tool that revolutionizes how one learns and performs math today.
